

TRANSATLANTIC PROJECT

Multi-sectoral and multi-stakeholder missions

(WP 3.2-3.4)

Working-note about the organisation of the mission to the Province of Québec.

1. [Objective of the mission:](#)
Strengthen the transatlantic cooperation in the field of Blue economy (OECD Definition)
2. Target public within the ATLANTIC ARCH:
 - Policy representation
 - Ports and maritime industry
 - Research institutions and universities
 - SME and SME Clusters
 -
3. [Timing](#) : Sunday 27.10.2024 – Saturday 2.11.2024/Sunday 3.11.2021
4. [Key focus of the program.](#)

The proposal of program has been built around the international event FUTUROCEAN, organised by Technopole Maritime de Québec. This event is dedicated to innovation in the blue economy and is focused on business development.

The following activities are scheduled:

- Conferences
- Networking
- Capacity-building workshops
- B2B meetings

The following themes might be considered by FUTUROCEAN 2024/the overall mission

- Maritime decarbonisation
- Short-sea shipping and development of green corridors for shipping
- Blue economy innovative regions
- Land-based aquaculture
- Marine renewable energy development
- Private investment in the blue economy
