# TRANS ATLANTIC

cooperation for green regional growth

# WEBINAR 2: Multi-stakeholder Mission to the nation of Wales

\*Date: Thursday 03.04.2025

\*Time: 10h30 (Québec) - 15h30 (Lisboa) - 16h30 (Rennes)

\* REGISTRATION : <https://lnkd.in/g4Tpfwdt>

## Objective of the Webinars in Transatlantic Project:

The core objective of the webinar is to build up the exchanges between the regions within the Atlantic Ocean and their respective stakeholders, active in the BLUE ECONOMY. This webinar identifies the opportunities to strengthen the transnational cooperation on different levels: policy, research, sustainable economic development, aquaculture, ports and maritime industry, marine renewable energy, all within the sphere of blue economy. Moreover, it aims to feed the contents of the 2 missions that are planned within the scope of the TRANSATLANTIC project: the second mission goes to the Nation of Wales (May 2025) In a larger context, it will help to identify the potential to develop the transatlantic cooperation, including the effective participation of non-EU stakeholders.

## Webinar 4:

Building bridges within the scope of transatlantic cooperation :

Preparation of the multi-stakeholder mission to the Nation of Wales (United Kingdom) 11.05.2025-16.05.2025
